

## WHO ARE WE?

We've been producing healthy, natural and tasty extruded crackerbreads and snacks since **1946 as a market leader in Hungary**. Our strong financial background helps us to continuously innovate and deliver only high quality products.

We support our Partners in bringing their own brands of cracker products to the international markets by providing our several-year-long experience of product development and flexible approach.

Our aim now is to grow our presence in international markets with branded and private label products.

## WHAT DO WE PRODUCE?

Our goods are fast rotating, convenience foods, while they meet the latest expectations of consumers related to the health conscious lifestyle.

### Breads
