## OUR VALUES

### **HRABRO**

The driving force, a visionary and a perfectionist with extraordinary energy that emanates from his passion for work. He is always one step ahead of others in thinking and his mind is constantly bursting with new ideas – so unique they typically become top sellers.

### **BOŠTJAN**

The 'golden hand' of the Perger family and the brains behind our beautiful and breathtaking creations. Being our work process manager and a born perfectionist, he is very exacting when it comes to himself and to others, so it is little surprise he is at the world's pinnacle of the honey confectionery and honeybread making crafts, and a chandlery master.

### **LUCIAN**

The youngest representative of the 9th generation of Pergers is a natural-born leader. He is intrepid in setting ambitious goals, and relentless in pursuing them. At the same time, he is high-spirited and shows great love for his work, thus acting as a reminder for the entire team that when they act together, the sky is the limit.

*make us different*

### **LEONORA**

The heart and soul of the family, who selflessly imparted her vast knowledge to the younger generation. With an amazing aesthetic sense and human warmth that she exuded abundantly with her staff and work, she added a unique mark to our products. Her work and innovative ideas spoke for themselves. May our beloved mother rest in peace.

### **INES**

She displays no trace of modesty while creating the natural yet extremely tasteful Perger masterpieces that keep surprising and enchanting even the most discerning of customers. Her diligence and dedication make her an important link in the Perger chain.

### **ZALA**

An eternal optimist who brings human values and special stories to the forefront. With her incredible listening skills and creative streak, she ensures your unique story is presented in the best possible way and shared with the world.
